

Tubs By Topic

“Tubs by Topic” is an educational loan program sponsored by the Maine Oral Health Program. Materials contained in each tub provide tools to facilitate or enhance lessons on the defined topic. Educators may borrow the oral health educational resource materials categorized by topic by calling 207-287-3121. There is no charge to borrow the materials; the user is responsible for returning the tubs to the Oral Health Program by the agreed upon time.
